# Reinvent the Toilet Project

A collaboration between CEPT University and RTI International (USA) will be launched in September 2015 for the prototype testing and user studies related to innovation sanitation solutions.

Research Triangle Institute (RTI USA), is looking for Student Research Assistants to work with the team to manage a prototype test site on the CEPT campus for the RTI Reinvent the Toilet project.

### Scope of Work for Assistantship

Student Assistantship scope of work will involve:

- Opening and closing the test site for daily and/or weekly operations
- Managing automated waste treatment processing modules
- Trouble-shooting basic site operations
- Facilitating survey research including user feedback forms, interviews and focus group discussions about the prototype

To apply, send your CV, cover letter and contact information to: [melledge@rti.org](mailto:melledge@rti.org)

This project is supported by the Bill and Melinda Gates Foundation, and is working in partnership in India with CEPT, SEWA and L&T Engineering.

Graduate and undergraduate students are welcome to apply. Building science and engineering, design and urban planning interests are ideal. All students are eligible to apply. Send your CV, cover letter and contact information to: [melledge@rti.org](mailto:melledge@rti.org)

### Student Assistantship Timing

- Assistantship applications are now being accepted. Students will need to commit to at least ~10 to 15 hours / week to the project on-campus site for September - November 2015. Testing and prototype R&D will also continue in 2016.

### More Information

- Information about the project is available at on the website: <http://abettertoilet.org/>
