

*Architects, engineers, planners, social scientists, economists and others who are curious about our cities, how they are planned, what urban planners do or what their profession entails and are looking for higher degree in planning and urban design are welcome to attend these open sessions.*

Faculty of Planning at CEPT University provides education in the multi-disciplinary field of urban planning and design. The academic curriculum aims to develop critical thinking, innovative and creative solutions.

Dr. Saswat Bandyopadhyay  
Professor
