1. INVITATION FOR PRE-QUALIFICATION

Sub: PRE-QUALIFICATION DOCUMENT FOR EMPANELMENT OF CONTRACTORS PERTAINING TO VARIOUS UPGRADATION AND DEVELOPMENT WORKS FROM 16.05.2023 TO 15.05.2028 AT CEPT UNIVERSITY.

1.1 BACKGROUND

CEPT University focuses on understanding, designing, planning, constructing and managing human habitats. Its teaching programs build thoughtful professionals and its research programs deepen understanding of human settlements. CEPT University also undertakes advocacy and advisory projects to further the goal of making habitats more livable.

The University comprises five faculties. The Faculty of Architecture was established as the 'School of Architecture' in 1962. It focuses on design in the private realm. The Faculty of Planning, focused on planning in the public realm, was established in 1972 as the 'School of Planning'. The Faculty of Technology, which concentrates on engineering and construction, was established in 1982 as the 'School of Building Science and Technology'. The Faculty of Design was established in 1992 as the 'School of Interior Design'. It deals with habitat related interiors, crafts, systems, and products. Faculty of Management is a newly established faculty from the Faculty of Technology Management, and it focuses on Habitat and Project Management

CEPT University takes its name from the 'Center for Environmental Planning and Technology' (CEPT). CEPT and the various schools that it comprised were established by the Ahmedabad Education Society with the support of the Government of Gujarat and the Government of India. The Government of Gujarat incorporated CEPT as a university in 2005. The University Grants Commission recognized CEPT University under section 2(f) of the UGC Act, 1956 in 2007. The Department of Scientific and Industrial Research (DSIR) of the Government of India recognizes the University as a Scientific and Industrial Research Organization (SIRO).

1.2 CEPT UNIVERSITY'S DEVELOPMENT AND MANAGEMENT PROGRAM

In 2012, CEPT University completed 50 years since the establishment of the School of Architecture in 1962. In November 2012, the Board of Management CEPT University suggested the undertaking of, a deep and critical introspective exercise by the faculty and staff of the University. The aim of this exercise was to examine all aspects of the university with the goal to better meet future opportunities and challenges. These discussions were followed by a series of detailed structured meetings in the Executive Council of the University. Through these meetings a more concrete vision for the future functioning of the university was generated. More refined plans were prepared for rejuvenation, renewal, and restructuring the different aspects of the University.

As a result of this process, a need to get the physical infrastructure and management revamped was felt and hence CEPT's development and management program emerged under the umbrella of Building Committee at CEPT. Hence we invite PQ bids in year 2013-2014 for major works to be executed on the campus. By doing so during execution we felt that we simultaneously also need other category of contractors to handle minor works during ongoing summer break and academic sessions separately for civil , electrification works as well as carpentry works to complete work packages smoothly and on time. Hence, we reinvite PQ bids part III in addition to part I and II of 2013-2014 shortlisting. Earlier empanelment was done up to 2023 in continuation of this process again we invite PQ bids for various upgradation work in campus for the period of 16.05.2023 to 15.05.2028.
